Important information regarding the re-opening times of our pre-schools

Dear Parents/Carers

After much consideration we have decided not to open our pre-schools in June but wait until September 2020.

The welfare of our staff, children and parents is our most paramount concern, and delaying opening will give us an insight into how the virus is spreading once schools open in June. The social distancing and re-organisation of our pre-schools will take time to implement as we await further guidance from the government on how this will work in practice in an Early Years Setting.

In the meantime, our managers will be available to speak to parents on their nursery mobile telephones and make appointments for prospective parents to view their pre-schools for a place in September.

May we take this opportunity to thank all our parents for their continued support and wish all our families good health.

If you require any further information please do not hesitate to contact us on the nursery mobile telephones below, or alternatively the office telephone number on 0208 2952494, or email us directly on info@villagenurseries.org
